## Feel at Home...

At Hometown Manor, we strive to serve as a model of quality assisted living care offering affordable living in a home-like environment. We offer a small setting that features family-style dining and engaging common areas.

We start with home-like living spaces that offer the privacy our Residents want and the safety and security they need. We want each of our Residents to feel at home with our loving caregivers, home-cooked meals and comfortable private rooms. Our focus is to make each Resident feel truly at home at Hometown Manor.
